Alice,

Can you email me your questions, please? Once I get them, I'll work with others here at EPA to answer your questions.  
Thanks. -- Terri

Subject: French journalist about Dimock water samples

Hi Terri,

I'm a french journalist based in NYC and specialised in sciences environmental issues. I work with Terra Eco magazine, see link in my signature.

I'm writing a news about the plan published last friday by EPA, concerning the Dimock water sampling and I was hoping you can answer some of my questions about that. Can I give you a call at 3pm to talk about it ? I hope so.

Please confirm me it's right for you,

Alice
